Dream BIG Winter Camps are tons of fun! Warm and nurturing staff will guide your child through activities such as basketball, soccer, film making, art, dance, yoga, karate, tennis, dodgeball, “coolinary” and much more! We have plenty of indoor facilities in the event of inclement weather. The emphasis is on enjoyment, friendship and self esteem. Children do not need to be proficient in any of the activity areas outlined above.

Dream BIG Basketball Camps are under the auspices of David Carey, Head Coach at Montbello High School. David played for his father, Rudy Carey, Head Coach at East High School and then went onto All Conference fame at Regis University where he played for Lonnie Porter, the winningest coach in Colorado basketball history. In only his second year coaching Montbello, David’s team won a city championship! He has extensive background teaching children the game of basketball.
