

April 20, 2010

Dear Parents,

Dream BIG Day Camp is a young people's world. It provides children with an environment in which they can flourish. It plants seeds of growth and cultivates the individual through the developmental stages. It enhances the child by offering support, understanding, acceptance, concern and love.

The creators of the environment are experienced, well trained camp staff. Contributing to the creation of the child's world can be a truly exciting and rewarding experience.

Thank you for sharing your children with us this summer and allowing us the opportunity to immerse them in an entirely different experience. We live in the child's world for ten weeks and it's there that we will hopefully discover parts of them that are essential to their own growth, development and enhancement.

We appreciate your trust and confidence and we are excited to be taking this journey together with you and your child.

Sincerely,

Mary & George Stein
Owners/Directors

Dream BIG Day Camp Philosophy

We encourage personal growth in each child by providing an excellent program facilitated by nurturing and highly trained staff. Anchored in this safe and supportive community, each camper will hopefully have fun, acquire new skills, feel valued for who they are and develop a sense of belonging.

The core philosophy of Dream BIG Day Camp is to empower all children to find their own “place in the sun” while having tons of fun and improving their skills. We recognize campers for their efforts as well as for being good citizens. Since Dream BIG Day Camp is group oriented the campers primarily participate with their respective groups, thus sharing common experiences and developing greater friendships.

The camp gathers together as a community EVERY morning and afternoon to sing, acknowledge birthdays, celebrate lost teeth and just be generally goofy together! We hand out “Fuzzies” to those who have either tried hard or done something kind for another person that day. The “Fuzzies” are the cornerstone of the camp’s ethos. Our goal is for ALL campers and staff to feel valued based on their inner qualities and thus feel a sense of inclusion and connectedness.

We want you, as a parent, to call us ANYTIME with a concern. We all want the highest quality experience possible for your child and if a call or visit enhances this, then by all means we want you to do so. Should any concerns arise that we need to apprise you of or need your assistance with, we will never hesitate to call.

Please understand that we, Mary and George, are not always readily available when you call. We are primarily out amongst the campers and staff for the balance of the day. Frequently we will return calls after 3:30 p.m., excluding of course those matters that require immediate attention.

Drop Off Procedures

When you arrive at camp with your child you will see our staff direct you. Our staff will greet you and your child and escort your child out of the vehicle and to the appropriate place. The same will be done at pick up in the afternoon. **In order to ensure safety and ease for everyone, we ask that you remain in your vehicle during drop off and pick up times.**

If you walk your child to camp and/or pick them up in a similar fashion our staff will greet you and your child and take them to the appropriate place. Please make sure you sign in your child with the "WALK INS" staff member. The same procedure will occur at pick up times. Exact drop off and pick up points will be communicated before camp starts.

Extended Care

Dream BIG Day Camp offers extended care from 3:00 p.m. to 5:00 p.m. for an additional \$25 per day (each additional child is \$10 per day). This form can be downloaded from our website. Parents picking up their children from extended care must check in at the main office first.

Absences or Late Drop off

If a camper is late or absent that day, we ask that parents call and notify the office by 9:00 a.m. It is important for us to know if your child is ill, and if so, if the illness is communicable (e.g. strep, vomiting, pink eye etc.). Campers arriving late to camp should be escorted by a parent to the office. Campers will then be escorted to their groups after sign in.

Change of Information

Dream BIG Day Camp asks families to notify camp of any changes in their place of living or employment. Dream BIG Day camp must have working emergency numbers at all times so we can reach parents/guardians in case of emergency.

Discipline Policy

We feel that close ratios are an important factor in your child's experience so EVERY child will feel included and get the proper staff support and attention. You can expect a 5:1 ratio in your child's group. For example, a group of 15 campers will have at least 3 staff members.

Our goal at Dream BIG Day Camp is to provide a healthy, fun, safe and positive environment for campers, parents and staff. Verbal praise, positive feedback and "Fuzzies" are what Dream BIG is all about. Campers are recognized in the community frequently for trying hard and doing nice things for others.

Negative behavior will be discouraged, alternatives/choices given and conflicts defused. It may be necessary to remove a child from a negative situation and have them engage in another activity. Immersion in the group is done in a sensitive yet proactive manner. Hitting, biting or bullying is not tolerated at Dream BIG Day Camp.

Our partnering with parents is conducive to each child's development and success at camp. Therefore Dream BIG Day Camp is always available to discuss a camper's progress, challenges, behavior and other physical needs. Means such as pictures of campers/activities on the website, proactive phone calls/emails and individually scheduled meetings all contribute to this partnering process.

Dream BIG Day Camp welcomes parents/legal guardians to provide the camp with a full understanding of their child. We kindly ask each family to share interests, temperaments, challenges and any other information that may be helpful in working with your child.

If a camper is struggling emotionally, socially or physically the Directors will contact parents/legal guardians to strategize so the camper can feel successful at camp. Every effort will be made to ensure the emotional and physical safety of each child.

Dream BIG Day Camp welcomes feedback from parents, staff and campers. This is done through surveys, staff orientation evaluations, end-of-summer reports and an open line of communication 24/7 with parents.

Picking up Someone Else's Child

Parents/legal guardians wishing unauthorized individuals to pick up their camper MUST contact Dream BIG Day Camp as early as possible to grant verbal authorization for this individual. If parents wish to add an individual to their camper's list they must do so in writing. Identification must be verified for those individuals we are unfamiliar with.

Early Pick-Up

During camp hours, please check in at the office when you are picking up your child. If parents/legal guardians are not known by the office staff and are picking up their children early, they must show proper identification.

The same procedures apply for campers staying after 3:00 p.m. The sign-out list will be present in the main office for authorized individuals to sign.

When possible, Dream BIG Day Camp encourages parents to dispense medications to campers at home prior to coming to camp. In the event of a camper needing medication at camp, Dream BIG Day Camp must have all medications and written instructions from the parents. Prescribed medications must be in their original bottles/containers with a pharmacy label. **Medications will only be dispensed with a doctor's written approval.**
